

November 17

The Junior High Cougars and Lady Cougars took on the PCHEA Warriors at home on Monday.

The girls game was a defensive battle from the get go. However our girls were able to hit enough shots when it mattered, and keep the other team in check to take the win with a final score of 15 - 7. We are proud of the girls for the start they have had to the season!

The boys came out very sluggish and were struggling out of the gate. We got down early and trailed by as much as 15 points in the game. However, in the fourth quarter we put together a decent rally and cut the lead down to 6 (almost 4) with about a minute and a half left. We just did not have enough left tank or enough time to quite pull the game out. I was proud of our boys for battling back and not giving up. We ended up losing by a final score of 27 to 35.

With the win, the junior high girls have continued their perfect start with a 4-0 record. With the loss, the junior high boys have dropped to 3-1 to start the season. The next junior high games will be after Thanksgiving break, Monday 12/1 at Amarillo against Amarillo Collegiate. The games will start at 5:00, come out and support the Cougars and Lady Cougars!
