

## PCHEA 11/7 and Channing Scrimmage

The Lady Cougars traveled to Amarillo on Friday to officially start off their season against the PCHEA Warriors. Trying to overcome a variety of aches and pains, they battled hard for four quarters, but ultimately came up short 23 to 29. The girls will get a chance to rematch PCHEA in December. We are still proud of the effort the girls showed in a close first game!

The Cougars had their first scrimmage on Saturday against the Channing Eagles. We played three 20 minute "halves" which allowed everyone a chance to see some action. The "Varsity" Cougars took the first 20 minutes by a score of 36 - 4. The combined "Varsity and JV" group took the win in the second 20 minutes by a score of 25 - 17. Finally the "JV" group took the win in the last 20 minutes by a score of 18 - 14. Everyone got some good minutes and we were able to see some good things as well as some areas of improvement.

The girls start off the season with a (0-1) record. Both teams will travel to Amarillo on Tuesday to take on the San Jacinto Patriots. The boys will scrimmage the Patriots at 5:30 and the girls game will follow at 7:00. Before that action, the Junior High teams will take on Amarillo Collegiate here at home today at 5:00 and 6:00. Come out and support the Cougars and Lady Cougars!
